

Our Selkirk Purcell Cabinet Club will be hiking on the dike around Ball Creek Ranch and Game Preserve in District 12 Wednesday June 7th, 2017. Departure for sixth outing of the 2017 season will be 9:00AM from the [Davidson Farm](#) (on the Kootenai River in District One, 2.3 miles west of Bonners Ferry on Riverside Street).

The hike will be 6.4 miles and level on the dike around District 12 and the Nature Conservancy area to the North. Should be lots of wildlife like the hikes we took across the river in District 5 and the Nimz Pond area.

Here is the [Google Earth view](#) of the Hike.

John and Chris Lefebvre will share the beautiful deck at their home on the south side of Ball creek for our rest after the hike. So Terry will bring a cooler in the morning for us to keep our refreshments.

Plus, see my [Hiking Blog](#) for more information and great views of Boundary County.
