

The first 2018 hike for our Selkirk Cabinet Purcell Group (Wednesday, May 2nd) will be a low-level Kootenai River Valley hike between the Selkirk and Purcell mountains. We will hike over Mission Hill to the District 11 Dike for an easy 3 mile hike to begin the season.

Terry Howe will lead this hike as Zita and I may still be at my Daughter Emily's home in California. By the way, she and Bjorn are moving to the Northwest. Terry will be giving us history lessons along the way. Mission Hill is the home of the Kootenai Tribe and District 11 is the Howe Farm and the Tribe's farm that he farmed, so he probably knows as much as anyone of the area history.

Here is a Google Earth view of the [Mission Hill District 11 Hike](#). Even though the path I drew looks difficult, Terry says the hike over Mission Hill will be easy.

To avoid the cold and fog, we will be leaving a little later on this one: 9:00AM from the [Big Flag Parking Lot Bonners Ferry](#).

Please RSVP by email or to my cell phone if you are coming and I will let Terry know.
