

# Solomon Lake Logging Roads Hike | Purcells

---

The twenty sixth 2019 hike will be next Wednesday October 16<sup>th</sup> to Solomon Lake Logging Roads under Goat Mountain. This will be a good low-level hike above the Moyie River, and at the head of Curley Creek.

We will be going there for the unobstructed views, a result of the fresh logging; and the fresh logging roads will be brush free if it rains. Since they are logging roads, it will be an easy hike.

We will leave the [Big Flag Information Center Parking Lot Bonners Ferry](#). at **9:00AM**.
