

Dear Family, Friends, Friends of Family, Friends of Friends, and Churches;

Thank you for all your many prayers of faith over the last year--God has answered them and I am truly grateful! It is by much prayer and the gracious hand of Our God who sustained my life by His power alone that I am alive and doing well today!

“Come and listen all you who fear God, and I will tell you what He has done for my soul.” Psalms 66:16

Friday, July 29, 2016 I was on my deathbed knowing my life of 35 years was over and that at any moment I would slip from this world into eternity. But by the power of Jesus Christ, who stopped the death angel at the foot of my bed, and sustained me through months of extreme illness, I am alive and well today!

After hovering at death's door for over 2 months and being unable to do much more than go to the doctor. I was discouraged. The months that followed were very difficult. Sunday, May 21, 2017, nearly 10 months later I was still in terrible agony and unable to do almost anything. As I was listening to the Bible and hearing the incredible promises of God, I made a decision. No matter what it looks like, feels like, or seems like, I am going to believe God's Word is True—ALL OF IT. “Though He slay me, yet will I trust in Him.” “I Know that my Redeemer lives” The words of Job.

From reading the Bible over and over I can say with certainty I know God's will is that I get well. He has called us as parents to raise up our children in the fear and knowledge of Him. I asked my Dad to make sure he did everything in his power to stay healthy because if I did not make it out of my illness my children would need his help to be raised up in the fear and knowledge of God. He told me, “No, I am not doing it, that's a job God has given you, you have got to get well to do it!” As God did not deliver the Israelites out of Egypt to let them die in the wilderness, so He did not spare my life so I could live as an invalid, but to “restore me to full health”. Psalms 41:3 “When He hath tried me, I will come forth as gold.” Job 23:11

I got a call the following Tuesday from a friend of my parents whom I have never met. She asked me how I was and read me Mark 16:15-18 “Go into all the world and preach the gospel to the whole Creation. Whoever believes and is baptized will be saved and those who do not believe will be condemned.” I thought

of how many times I have heard this passage preached and wondered at her choice of scripture—I am too ill to go anywhere! However, she kept reading

“And these signs will accompany those who believe, in My name they will cast out demons: they will speak in new languages, they will pick up snakes, if they should drink anything deadly it will never harm them; they will lay their hands on the sick and they will get well.”

She asked me if I believed that—Wow! Did God really mean what He says? “And these signs will accompany those who believe, in Jesus's name they will lay their hands on the sick and they will get well.” “Lord I believe, help thou my unbelief!” Mark 9:24 She told me she believed and prayed for me, rebuking the devil in the powerful name of Jesus of Nazareth! She told me whenever you get pain, or begin to go unconscious, rebuke the devil in the name of Jesus of Nazareth, and don't stop until the symptoms are gone that's when you will know the devil is gone. “Be serious! Be alert! Your adversary the Devil is prowling around like a roaring lion looking for anyone he can devour. Resist him and be firm in the faith!” 1 Peter 5:8,

This was a radical idea for me, and before going off to sleep that night I asked God if there was ever a time in my 36 years of life where He miraculously healed someone I knew, could he please bring it to mind. The next morning, I awoke with this memory. At the age of nine I broke out with terrible acne—my face looked like hamburger. I had a grotesque wart on my arm that bled often. For years I tried everything I knew to get rid of it including a 30-day cleanse at the age of fourteen, this too made no difference in my skin. However, several days later when I awoke, I was astonished to see my skin completely healed! You could not even tell where the acne or wart had been. How had I forgotten this? It took me more than 20 years to figure out it was God who miraculously and completely healed me—the wart has never come back, the acne has never come back, when God heals He heals for good! He healed me then and I know he will heal me again completely and absolutely! For “by His stripes we were healed!” Isaiah 53:5

Many times since my talk with that friend I have felt the pain start to come back and the unconsciousness creep in. I have continued to rebuke the devil at every turn, constantly, continuously and I have been stable—what medicine or Doctors have been unable to do, rebuking the devil in the powerful name of Jesus Christ of Nazareth has overcome! Truly His name is powerful and we do indeed wrestle not against flesh and blood but against principalities against powers, against the rulers of the darkness of this world against spiritual wickedness in high

places. Therefore, take unto you the whole armor of God that ye may be able to withstand in the evil day. Above all taking the shield of faith wherewith ye may be able to quench all the fiery darts of the wicked." Ephesians 6:16

"The prayer of faith will save the sick and God will restore him to health".
James 5:15

So much has happened since that time, by the power and love of Jesus Christ this last month I have gone to Russia, Sweden, Estonia, Norway, Finland, Latvia, New York, and Mississippi. Here in Texas I have helped with our church's Vacation Bible School and told people everywhere of what great things God had done for me. I never dreamt He would send me into all the world to preach the gospel to the whole creation but by His grace, power and for His glory, honor and fame He has sent me and for that I am in awe of our Great God! I have never been to so many places before in my whole life, or been so empowered to share the good news of Jesus Christ to others all over the world and to pray for them in the powerful name of Jesus! Wow is life lived by faith in our great Lord and Savior Jesus Christ AMAZING!!! This next week we are excited to host a week long Bible club for kids in our neighborhood--something I told God I would do if He made me well in time for it! How Great is the Father's love for us!! There is so much more I could say, so many things God has done for me but time is too short to share them all here. Thank you so much for praying for me--I felt your prayers in my darkest hours and in my tumultuous journey over this last year. May God grant you blessing beyond measure and may your faith increase to hear how He has answered your/our prayers to overflowing!

"My soul, praise "Yahweh, and all that is within me, praise His Holy name.
My soul, praise the Lord, and do not forget all His benefits.
He forgives all your sin;
He heals all your diseases.
He redeems your life from the pit;
He crowns you with faithful love and compassion
He satisfies you with goodness; your youth is renewed like the eagle."
Psalms 103:1-5

Glory be to God! Great things He has done!

Love, Your sister in Christ,

Suzanne Heber
