

# Standard Functional Reports

## Standard Functional Reports

Along with External (Industry and Banking) reports, these standard functional reports are the raw material for a Strategic Enterprise Database. Besides listing these standard reports, this document also associates them with the strategic entities they summarize.

### ***Reports Designed for Internal Function Management***

Account Aging	Production Reports
Account Balances	Project Reports
Account Transactions	Purchase Orders
Event Reports	Requirements
Expense Reports	Sales Orders
Inventory Reports	Sales Reports
Maps	Schedules
Organization Charts	Work Order

# Standard Functional Reports

## Function and Strategic Entity Matrix

		Enterprise Data				Enterprise Data		
		Strengths and Weaknesses				Environment		
		Product	Process	Facility	Person	Customer, Supplier, Market & Agreement		
Sort	Access Databases and Entities	Product Entity	Process	Facility	Team	Employees	Customers	Suppliers
1	Asset Tracking DB			x	x	x		
2	Contact				x	0		
3	Event Management			x	x	x		
4	Expenses	x	x		x	x		
5	Inventory Control	x		x	x	x		x
6	Ledger		x					
7	Order Entry	x			x	x	x	
8	Resource	x	x		x			x
