

This is just a list of what I might talk about concerning the Cemetery and Yard Work

First, I would like to talk about next year

Mowing and weed whacking, I think I can fill out all the Cemetery and Yard Work Requirements if I get 8 new people to volunteer to one round of mowing and whacking for the yard and cemetery. The Job needs to be done 16 times, and it has the biggest impact on how things look.

Because yesterday, Mary Matthews gave me better descriptions for the more complex jobs; next year we will have better job descriptions in the 2020 cemetery and yard work list that I have placed on the bulletin board and emailed out to all of us with emails.

Last year

If you are interested in who did what concerning last year's Cemetery and Yard Work, I have also emailed that list and placed it also on the Bulletin Board.

I think we just need more mowers and whackers because I am hoping to fill all the other jobs from those with experience from last year. Please let me know if you are not able to repeat.

Thank You
